# Home-School Agreement

**We acknowledge our responsibility to support parents in their task of nurturing their children in a Christian community.**

**To support parents, School will:**

- Provide a friendly welcome to your child and a secure, stimulating, Christian environment in which to learn;
- treat your child with dignity and the respect they require, encouraging them to full human wholeness;
- Ensure that your child is valued and is helped to make good progress in all areas of learning;
- Demonstrate our faith and the Gospel values, by what we teach and the way we live and worship in our school;
- Do our best to provide the best possible education we can for your child and enthusiastic teaching rooted in our beliefs, our values and our skills;
- Provide you with information about your child's progress and provide you with opportunities to talk to teachers;
- Keep you well informed through clear communication;
- Inform you of any concerns regarding your child's behaviour, learning or health;
- Teach your child to be independent learners who can challenge themselves;
- Contact you if there is a problem with your child's attendance.

**We acknowledge that we as parents are the primary educators of our children and have an irreplaceable role to play in supporting our children's learning.**

**We ask that Parents:**

- Ensure their child is brought to school regularly and on time and is collected promptly at the end of each day;
- Ensure that their child attends school appropriately dressed and with the kit or equipment needed to take part in all aspects of school life;
- Ensure that their child is well rested and arrives ready to be fully involved in the school day;
- Ensure that the school is notified on the first day of their child's absence;
- Support their child by learning together at home;
- Support the school's policies on behaviour and equal opportunities;
- Inform the school promptly about any concerns or problems that may affect their child's wellbeing;
- Attend Teacher-Parent Meetings to discuss their child's progress;
- Support the school in meeting their child's needs;
- Support the school's Catholic values and ethos and do their best to support these.

**I will acknowledge the different and unique talents which God has given me and my responsibility to use them wisely.**

**We ask that Learners:**
