GOVERNORS' ANNUAL REPORT TO PARENTS 2024-25

Message from the Governors

Since our last report to parents in 2024 we have had two inspections at the school: the Religious Education Inspection and the Estyn Interim Report.

In April 2025 we were visited by the Catholic Schools Inspectorate. The overall quality of Catholic education provided by the school was rated as 'good'. In fact, the three key areas of 'Catholic Life and Mission', 'Religious Education' and 'Collective Worship' were all rated as 'good'. This was a really successful result and reflects so well on the whole school community and in particular, the teaching staff.

The Inspectorate reported that *'The school has a welcoming, inclusive, and supportive ethos, ensuring everyone within its multi-faith community is valued and respected for who they are'*. Which I am sure you will all recognise when you visit the school.

More recently, in November we had a visit from Estyn. This is part of the planned follow up, following our full Inspection in November 2023, which I am sure you will recall was a very successful report. This latest interim report was again extremely positive.

The main emphasis of the report was to focus on the progress of two areas of recommendations in the previous report; *'Ensure that teaching challenges all pupils, including the more able, to develop their independent learning skills'* and *'Provide opportunities for pupils to make choices in their learning to develop a more engaging curriculum'*. In both areas of focus there were very positive results, which is a fantastic reflection of all of the hard work and dedication that our teaching staff provide for all of the children that attend the school.

Once again, we are having to operate with a deficit budget. This has been the position for the past few years and in common with most schools in Cardiff, Governors and the Senior staff look to allocate funds appropriately and effectively to maintain the standards and opportunities of learning for the children. Again, our thanks go to the PTA, who have again been active providing, through their fundraising, numerous additional items of support which the children have benefitted from. Given our financial predicament the Governors are very grateful for their work, as it provides much needed income into the school, as well as providing activities and events that enrich the school-life of the children.

Of course, as a Catholic school we are responsible for funding 15% of the capital costs of the building and I would like to thank those parents that have made contributions to help with our funds. If you are able to contribute, you can be assured that all donations will be used to improve the resources that all the children will benefit from.

Finally, the Governors would like to thank Miss Russell and all the staff at the school, for their hard work, dedication and devotion to the children of St Mary's; and may we wish everyone connected with the school, a very happy and holy Christmas.

Robert J. Free
Chair of Governors

1.1 The Governing Body 2024-25

There were 11 governors (excluding the headteacher) in total with a wide variety of experience, who worked closely together with the Head Teacher. The Governing Body formulate the aims and policies of the school. No individual governor has any power unless delegated to him or her by the Governing Body as a whole. The Chair of Governors however has the power to answer letters, deal with emergencies and liaise with the Head Teacher without constant recourse to the full Board of Governors.

Chair of Governors: Mr Robert Free, c/o St. Mary's Catholic Primary School, Wyndham Crescent, Canton, Cardiff, CF11 9EF

Clerk to the Governors – Mrs Bethan Jones, c/o St. Mary's Catholic Primary School

Changes to the Governing Body in 2024-25

There were two changes to the Governing body last year. Mrs Jane Laydon retired and was replaced by Miss Danielle Davies as the elected teacher representative. Also, Mr Caro Wild resigned from his post and was replaced by Miss Hannah Griffiths as the local authority representative.

Voluntary Aided Status and the Responsibilities of Governors

St. Mary's Voluntary Aided status means that the Governors of the school carry out their duties and responsibilities in close consultation with the Local Authority and the Archdiocesan Schools' Commission. Governors of the school are appointed to preserve and develop the Catholic ethos and character of the school. They are responsible for the general direction of the school, its policies on organisation and curriculum and are also responsible for:

- owning and managing the school buildings, including paying for maintenance and structural improvements;
- determining the admission policy;
- the use of school premises outside normal hours;
- the appointment of all staff;
- general oversight of spending of the delegated budget of the school.

St Mary's Governing Body is made up of representatives of the parish, the Local Education Authority, parents, teachers and non-teaching staff. In order to discharge their duties, the Governors meet at least twice a term to discuss current matters and to receive the Head Teacher's report. The minutes of meetings, when approved, are published and become the official record of the manner in which the Governing Body has discharged its responsibilities. The published minutes are available for inspection at the school, as is all documentation. Governors attend training provided by Cardiff City Council and the Archdiocese of Cardiff.

2.1 School Clubs

The Governing Body recognises and thanks the school staff and external agencies who devote their time to offer out of school and lunchtime activities. In 2024-25, the following clubs were on offer at different time of the year:

Dance	Chess	Well-being	Urdd Muti-sports
Netball	Board Games	Drawing	Choir
Lego	Art & Craft	Fitness	Digital Music
Music			

Sports Zone and Karate Keep Fit were offered to parents for a fee due to external providers delivering these clubs. Thank you to all the staff and volunteers who gave up their time to organise and deliver these activities for the children of St Mary's.

2.2 Sporting/ Physical Activities

In 2024-25, pupils were able to take part in any events/ activities outside of PE lessons. The school organised/ took part in a number of events:

- Forest School sessions for all classes, including Nursery, at Thompson Park or St Catherine's Church grounds
- PE lessons at local parks
- Nursery Sports Day in school
- Reception, Year 1 and Year 2 Sports Day at Llandaff Fields

The school also welcomed a range of visitors into the school to talk to the children and run workshops, including:

Chess in Schools & Communities - lessons for Year 3
South Wales Fire Service

Students from Cardiff University, University of South Wales, University of West England and the Open University
Upbeat Music Service
South Wales Police
Show Racism the Red Card workshops
Mad Science workshop
Storyteller workshops
Artists, Jack Skivins
Music workshops at the Royal Welsh College of Music and Drama (RWCMD)

2.4 Initiatives

These are some of the initiatives/ projects the school have taken part in this year which strengthen our links with the wider community:

- Year 5 & 6 pupils took part in transition days with Mary Immaculate High School
- Charity Work: raised money for CAFOD, our Parish, St. Mary's SVP Food Bank and Tenovus Cancer Care
- Music workshops with Welsh National Orchestra, Royal Welsh College of Music and Drama and Camau Cerdd

2.5 Musical Opportunities

Each pupil at St. Mary's has the opportunity to develop their musical skills through the delivery of the curriculum in all year groups and with the support from visiting peripatetic music teachers for pupils in KS2. In 2024-25, the school employed Upbeat Music to deliver 6 weeks of music lessons from specialist music teachers to four year groups in the school. The spring term topic across the school is focused on Expressive Arts and so all classes are given good quality music opportunities throughout this topic. A number of classes also had the opportunities to take part in workshops at the Royal Welsh College of Music and Drama and Camau Cerdd. Many classes performed for their parents/ carers and the parish community.

2.6 Welsh Second Language

St. Mary's is an English-medium school where lesson instruction is given through the medium of English. As a school, we are very aware of our role, as a school in Wales, in promoting and developing the use of Welsh as a living language. In addition to daily practice and weekly lessons where the school teaches Welsh as a second language, the school promotes the Welsh language every day. Simple instructions (e.g. listen, quietly, sit on the carpet) are given through the medium of Welsh, where pupils hear the language and respond to it through action. Staff and pupils greet each other throughout the day using the medium of Welsh and pupils are encouraged and supported to ask and answer questions they know inside and outside of the classroom. Learners in each class lead daily "Helpwr Heddiw" 10-15 minute sessions to practise sentence patterns, questions and answers.

At St. Mary's, we are conscious that many of our pupils join us at varying times during their school careers, many from outside Wales and the UK. For these pupils, the school recognises that it may take a little longer before they volunteer information through the medium of Welsh, however, responding through action often comes quickly when they are immersed in our school environment. Welsh is taught as a second language throughout the school. All members of staff receive training to deliver this subject. Training is supported by specialist Welsh teachers/ advisors from the Central South Consortium.

3.1 Attendance and Punctuality

During 2024-25, the school worked in close partnership with the cluster School Attendance Officer and parents on attendance and punctuality. Absences are categorised as authorised and unauthorised:

Authorised absences are illness, special occasions e.g. attendance at a wedding or funeral of a family member, religious observance days, exclusion.

Unauthorised Absences are holidays, shopping, birthdays, late attendance after closure of the register, any other reason which is considered by the school to be unacceptable.

Over the last few years, our attendance has been lower than usual due to the effects of the Covid-19 pandemic. However, the school's attendance levels are improving and have remained higher than many other schools locally and in Wales.

The percentage of attendance absences (authorised/unauthorised) is as follows from September to July of each year. The absences are recognised as authorised and unauthorised according to the Pupils Attendance Records Regulations 1991.

	2021-22	2022-23	2023-24	2024-25
Overall Attendance	92.6%	91.7%	93.6%	93.6%
Authorised absences	5%	5.5%	3.9%	3.5%
Unauthorised absences	2.4%	2.8%	2.5%	2.(%

5.1 Progress on School Improvement

School Improvement Plan 2024-25	
Priority	Progress*
To improve oracy skills for all learners, ensuring learners increased confidence and effectiveness in verbal communication across all areas of the curriculum.	
To strengthen the proficiency of both learners and staff in using the Welsh language within lessons and around the school.	
To improve provision and progression in continuous and enhanced provision within PS1 and PS2 (Nur to Y3).	
To continue to develop our own school curriculum, including RE.	

*Progress measure **strong/** **satisfactory/** **limited**

Please see the Summary SDP for Parents/ Carers on our school web site by [clicking here](#).

4.1 Financial Outturn

The governors monitor expenditure and income throughout the year of the school budget. See Appendix 1 for the school budget financial outturn for 2024-25.

4.2 PFA

The Parents and Teacher Association (PTA) have a very important role in supporting the school. In 2024-25, chairperson, Miss Charlotte Allan, continued to lead the PTA along with a few parents who were able to give up their time to help prepare and run the events. Last year, the PTA organised and held a number of events, including discos, fetes, Santa visit, gift events, event days, own clothes days, bubble parties and raffles. These events raised £3730.22 last year.

The school is very grateful for the support of the PTA and parents/ carers who help and support the events. This includes all parents/ carers who supported the events financially. Last year's fundraising helped to pay for school trips and experiences, Upbeat Music & Dance lessons for classes, Y6 Leavers' celebration, new playground equipment, Pantomimes/ theatre performances and 20 new Chromebooks. Due to no parents/ carers coming forward to be Chairperson of the PTA, at the end of last year it was decided that the school will plan and deliver events in the future with the support of school staff and parents/ carers at events.

5.2 Links with the Church and Community

Over the past year, the school has continued to build strong links with the Church and with the community. Interim parish priest, Fr. Solomon Ugwummodo, has continued to work closely with the school. Y3-Y6 classes attended morning mass at the church once every half term and school masses in the school and in the church have continued throughout the liturgical year. The school led the sessions in preparing children for the Sacraments of Reconciliation and Eucharist support by former teacher and parish member, Miss Edel Hogan, Year 3 teacher Miss Davies and teaching assistant and parishioner, Mrs Ryan. We thank them for their continued support.

The school also created as many opportunities as possible to engage with our local community. The school worked with local colleagues and universities to enable student teachers and teaching assistants to undertake school-based placements. Colleagues from Cardiff Local Authority, Central South Consortia, the Educational Psychology Service and ALN service have continued to visit the school throughout the year to support staff and children.

Children in Years 5 and 6 were able to visit Mary Immaculate High School as part of transition into high school. The school has been able to welcome visitors into our classrooms to support learning experiences and have visited areas in our local community. The school has also continued to support charities, local and international, through fundraising. Last year children from our older classes made fortnightly visits to residents at Ty Llandaff Residential Nursing Home in the local area and the residents visited school to watch the children perform in the end of year production Robin Hood.

Visitors often comment on how warm and friendly the school is. Our aim is to encourage the children to see how the community works in supporting others. The school maintains close links with the Mary

Immaculate Cluster of schools and other Catholic schools in Cardiff and the Vale, working on projects to improve curriculum RE over the last year.

5.3 School Prospectus

The school prospectus is updated annually. The prospectus is an informative document which contains end of key stage results, changes on the Governing Body, staff changes, and term dates and school clubs. Copies of the prospectus are available on our school website - [click here](#). Parents can request a paper copy from the school office.

5.4 School Policy Reviews

The Governing Body is continually reviewing and updating policies on a rolling programme. Many policies can be viewed on our school website [here](#) or can be requested from the office.

5.5 Specific School Strategies

Health & Safety:

The named member of staff in charge of health and safety is Miss C. Russell along with the Estates Manager, Mr F. Antunes. The named governor for Health and Safety is Hannah Griffiths.

During the academic year 2024-25, the school made progress on continuing improvements in the school with the support from the local authority Health and Safety Officer allocated to our school. The improvements made included:

- Regularly updating school policies and risk assessments in line with WG and LA guidelines
- New floor in the Cwtch Room
- Repainting of the Year 4 classroom and the Nursery classroom
- New fob system at the front door and the eternal door from the entrance area to the nursery garden

Provision of Toilet Facilities:

The school has toilets for all Foundation Phase pupils, which are situated at one end of the Foundation corridor. In KS2 there is one set of girls' toilets situated on the far side of the building and one set of boys' toilets situated near the main entrance. Pupils are taught and reminded to wash their hands after using the toilet and before eating. All toilets have liquid soap available and hand driers. Toilets are cleaned every day and any issues reported immediately.

School Security:

St Mary's makes every effort to ensure a safe and secure environment for your children, staff and visitors to our school. External doors are kept locked throughout the day and access to school can be obtained by ringing the door buzzer at the main entrance. All visitors sign in and out of the building and are provided with Visitor passes. All external doors around the building use a fob system and the school has CCTV around the outside of the building.

Racial and Bullying Awareness:

Assemblies and activities are held throughout the year to teach children about bullying and internet safety. The school has an Equality Policy and Action Plan as required by the 2010 Equality Act. The plan sets out our equality commitments to promote equality of opportunity and eliminate discrimination against the protected characteristics. Every year the school organises an Anti-bullying Week named 'Friendship Week' and our Anti-bullying Policy and Racial Equality Policy is reviewed and updated regularly.

Behaviour:

The pupils' behaviour in the school is of a high standard. St Mary's has a strong Catholic ethos and are keen to build relationships of trust and respect. The school has a positive behaviour policy which is regularly reviewed and revised, and named the 'Building Positive Relationships Policy'. Our policy praises and encourages good behaviour with many opportunities to reward and celebrate this. Learners are given consequences when rules are broken using a restorative justice approach where the emphasis is placed on the consequences of their actions so that they understand why what rule they have broken and how this affects other people. In 2024-25, 10 pupil exclusions were recorded involving 6 pupils. Most of these exclusions were for physical challenging behaviour against staff or other pupils.

6. Admissions Policy

Many children start St. Mary's Catholic Primary School at the age of 3 years old in our Nursery class. Some join older classes if places are available. Children in Nursery start school when they are 3 years old. Children in the Reception class start school in the September after they are 4 years old. The school's admission number is currently 40 in Nursery and 30 in all classes from Reception to Year 6.

Parents are welcome to visit the school before, during or after applying for a school place. The Governing Body of St. Mary's Catholic Primary School is the Admissions Authority for this school. The Governing Body meet in February to consider applications. Should there be more applications than places available then the following over-subscription criteria will apply:

Over-subscription criteria for St. Mary's Catholic Primary School 2026-27 - Reception

The minimum age of entry to the Reception Class is 4 years provided that the child's 5th birthday falls between 1st September and 31st August of that academic year.

The indicated admission number for the school is 30. Where the number of applications is equal to or less than the number of places available, all applications will be successful. However, where the number of applications exceeds the number of places available, the Admissions Committee will apply the following over-subscription criteria and allocate places accordingly.

Where St. Mary's Catholic Primary School is named on a child's statement of educational need, the Admissions Committee has a duty to admit the child to the school before the over-subscription criteria is applied against applications received.

In each category below:

- Priority will next be given to the siblings of those pupils who will be registered at St Mary's Catholic Primary School at the time the child is to be admitted.

The Oversubscription Criteria are as follows:

1. Looked after Children (LAC - children in the public care) or previously Looked After Children who are baptised as Roman Catholics or have been formally accepted into the Roman Catholic Church.
2. Children who are baptised as Roman Catholics, or have been formally accepted into the Roman Catholic Church, who permanently reside in the catchment area*.

3. Children who are baptised as Roman Catholics, or have been formally accepted into the Roman Catholic Church, who **do not** permanently reside in the catchment area*.
4. Looked after children (LAC -children in the public care) or previously Looked After children who are not of the Roman Catholic Faith.
5. Children of other Christian denominations, whose parents have demonstrated a wish for Catholic education, who permanently reside in the catchment area*.
6. Children of other Christian denominations, whose parents have demonstrated a wish for Catholic education, who **do not** permanently reside in the catchment area*.
7. Children of other Faith traditions, whose parents have demonstrated a wish for Catholic education, who permanently reside in the catchment area*.
8. Children of other Faith traditions, whose parents have demonstrated a wish for Catholic education, who **do not** permanently reside in the catchment area*.
9. Other children, whose parents have demonstrated a wish for Catholic education, who permanently reside in the catchment area*.
10. Other children, whose parents have demonstrated a wish for Catholic education, who **do not** permanently reside in the catchment area*.

* *Catchment area of St Mary's Catholic Primary School:*

- *Ely River, the eastern side of Western Avenue (A48) Ely Road and Cardiff Road.*
- *To roundabout (BBC) including Llandaff Village bounded by the River Taff to railway line parallel to Ninian Park Road.*
- *Both sides of Sloper Road to both sides of Bessemer Road and Hadfield Road to the River Ely.*

In the event that the Admissions Committee is unable to allocate places to all the children in one particular category whose parents are practising Catholics or practising Christians, priority will then be based on those residing closest to St Mary's Catholic Primary School. For further information on how distances are measured, please refer to the paragraph entitled 'Home to School Distances' within the 'Relevant Information' section.

7. Additional Learning Needs (ALN)

In 2024-25, Mrs Richards became the Additional Learning Needs Coordinator (ALNCo). Mrs Richards was responsible for providing teachers and Teaching Assistants with support, training and guidance in identifying pupils with additional educational needs and in reviewing and writing Individual Development Plans (IDPs). Pupils with additional educational needs in the classroom were supported by working with individual or small groups of pupils from class to work on pupils' specific targets. All teaching assistants support pupils with ALN within the classroom. Mrs Richards worked closely with class teachers, teaching assistants, other ALN coordinators in Cardiff, parents/ carers and members of the local authority special educational needs team to meet the needs of the children.

8. Equal opportunities and pupils with disabilities

It is our duty to ensure open access to the curriculum and to the school. The Governors do not exclude pupils on the grounds of disability and would treat incidents of disabled pupils being treated less favourably than any other pupils very seriously.

9. Sport

At St. Mary's Catholic Primary School, we aim to foster positive attitudes towards PE and physical activity. The school promotes the skills of cooperation, teamwork and fair play. Children engage in athletics, games, gymnastics and dance activities. We were able to provide older pupils with opportunities to take part in competitive sport with local sporting organisations such as Glamorgan Cricket and Urdd/ WRY Rugby. Swimming lessons were unable to take place again in 2024-25 due to the high cost of lessons. The school was able to hire a swimming pool for free at a local independent school, however, we were unable to hire any swimming instructors for the lessons. Due to the continued increasing costs of lessons and the hiring of coaches we are unable to currently offer swimming lessons to any classes.
